1981

Open House

Dr. Wilson Riles greeted the audience by saying "Welcome everybody to Fremont".

A devoted friend and past superintendent Dr. Hugo Schunoff gave his regards.

Dr. Henry Klopping introduced the guests.

Diane Morton interpretted for Teddy Kelly, Past APTC President.

The San Francisco Navy Band played "The Star Spangled Banner".

Heidi Pierson held the flag while Danny Barrett saluted and Gloria Reyes sang, "The Star Spangled Banner."

The Elementary students from the Communication Skills Department sang "God Bless America".

"I need your permission to take the balloons home" (Dr. Riles and Ralph Neesam)

Dr. Wilson Riles cuts the ribbon while Fremont Mayor Leon Mezzetti and Senator Alquist look on.

Over three thousand visitors attended the Grand Opening of the **California School for the Deaf** Monday, May 25, 1981. The morning self-guided tours, student presentations, video tape shows and departmental demonstrations were impressive. Ceremonies in the afternoon with Wilson Riles, Senator Alquist, the San Francisco Navy Band, CSD scouts, students, and other guest speakers, ran smoothly. The evening banquet proved to be a big hit. Excellent coverage of the events was provided by Channel 7 TV, radio station KCBS, and **Fremont Argus.**

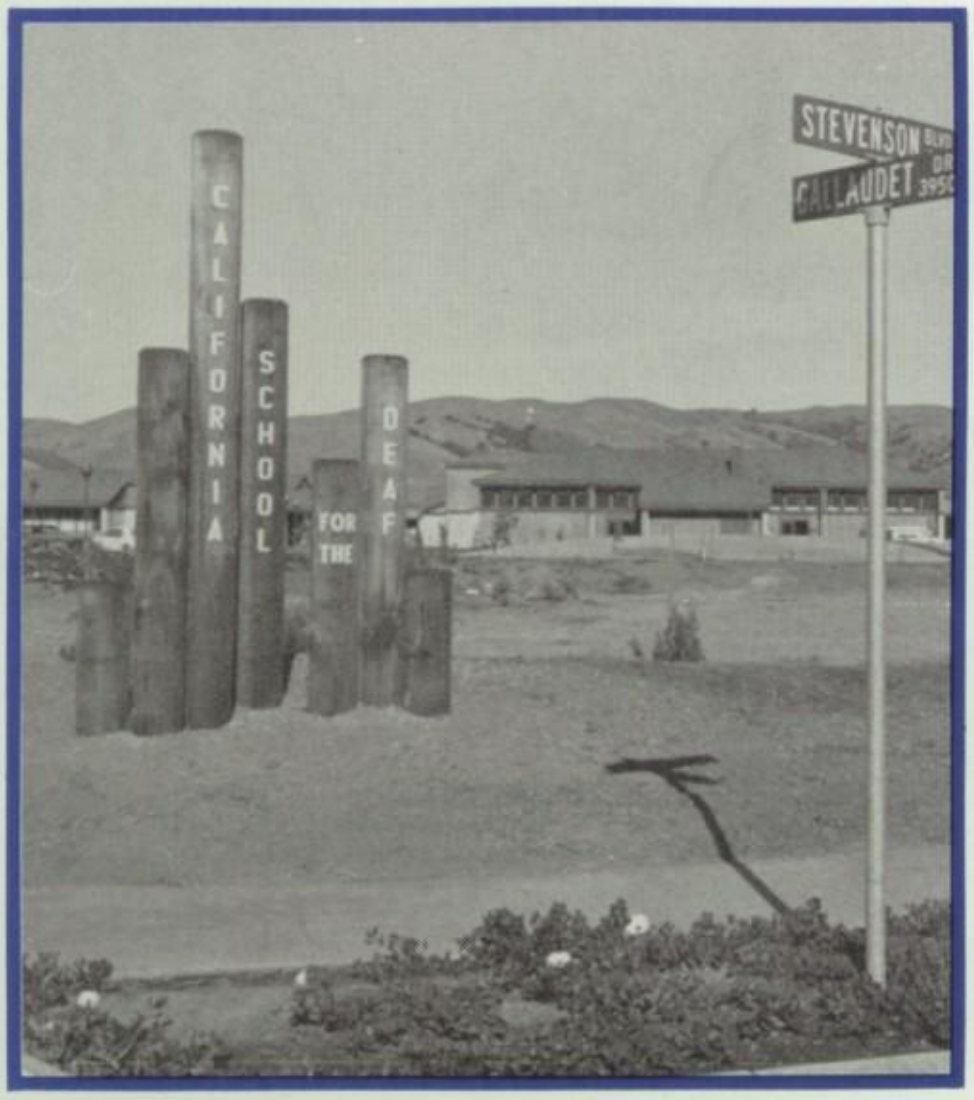
In the afternoon ceremonies **Dr. Wilson Riles** emphasized that the new school is "a monument to determination" of parents, deaf persons and educators. He stressed that the school is an investment for students to become contributing members of society. He affirmed that money should be available to educate deaf students, but that it should also be available for all children in California.

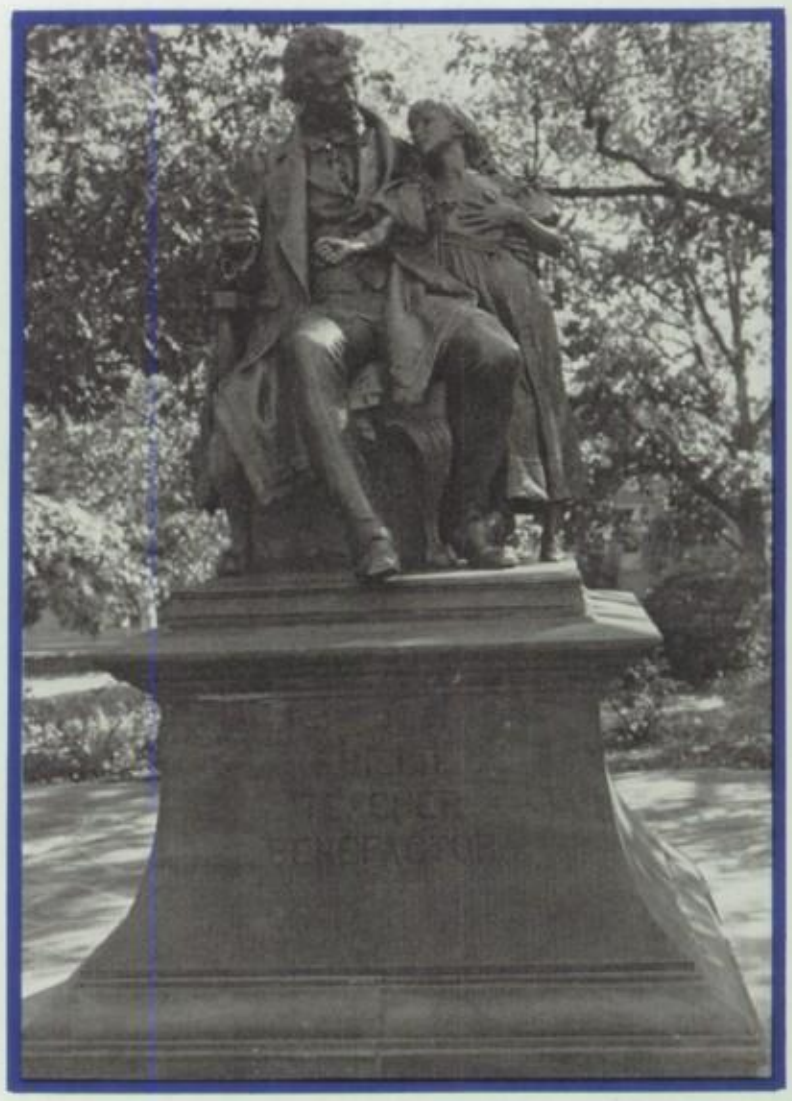
The new **Theophilus Hope d'Estrella** awards, dubbed "Hope of the Stars" were presented at the banquet to those who contributed outstanding service to CSD. Recipients were:

Mildred Albronda
Gretchen Crozier
Larry Obray
Tom Spradley
Claire Godfrey
John Galvan
Henry Klopping

Dr. Wilson Riles received a book, **"Douglas Tilden: Portrait of a Deaf Sculptor"** signed with a personal note from the author, **Mildred Albronda.** A surprise award was presented to **Ralph Neesam** in the form of a plaque engraved "your dedication inspires others to excellence". The NorCal Chapter of the Gallaudet College Alumni Association presented **Dr. Henry Klopping** with a plaque for **"Commitment, Service, Dedication** and **Faithfulness** to the new school and community, to staff, students and friends young and old".

GALLAUDET DRIVE





Statue of Thomas Hopkins Gallaudet and his first pupil, Alice Cogswell. (Gallaudet College, Washington, D.C.)

In searching for a name for the street built to accommodate the California School for the Deaf, Fremont, the City of Fremont approached the school and the California State Department of Education and asked us if we had any recommendations for the street name. The City of Fremont asked us to come up with three names from which they would select one for the street.

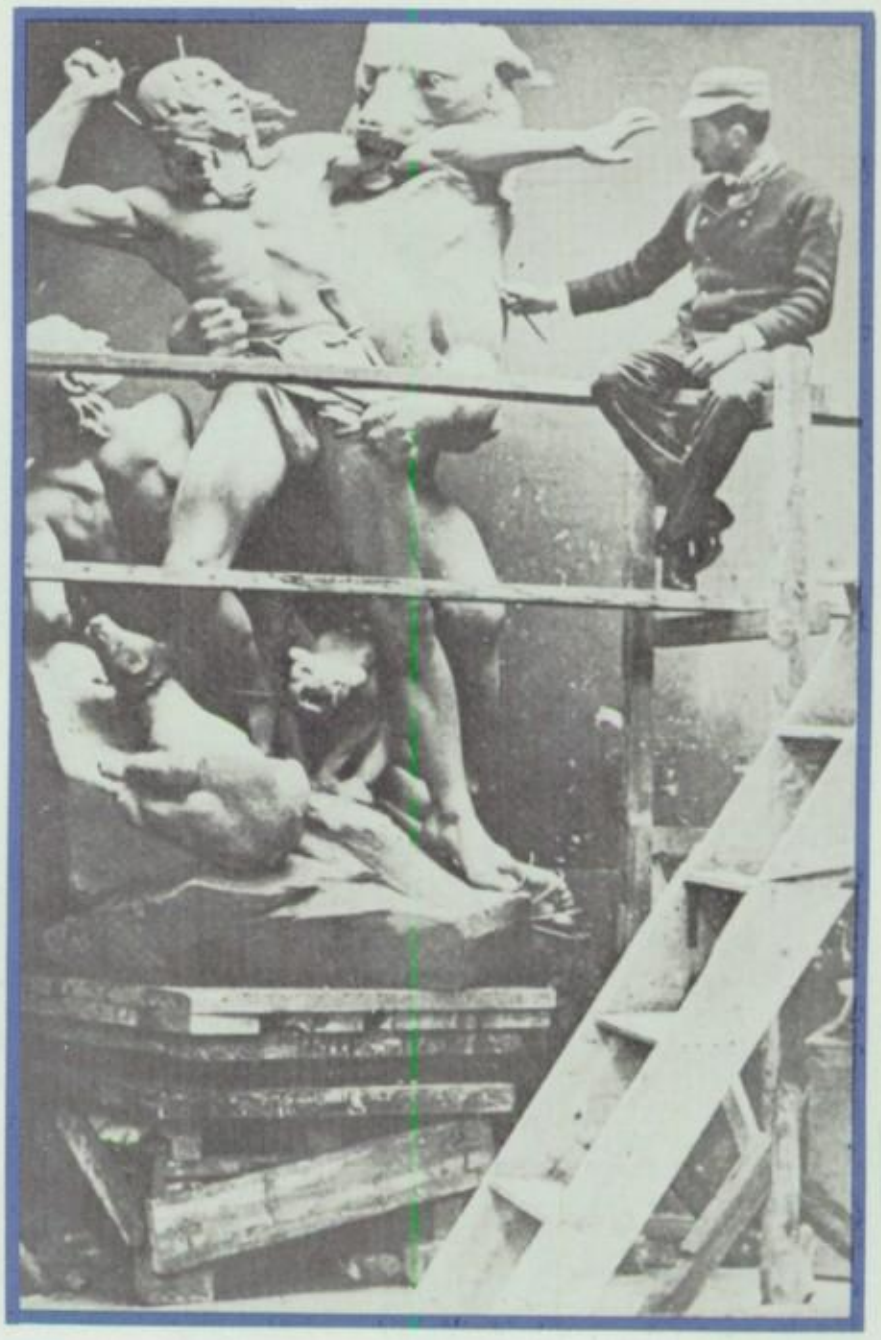
The California School for the Deaf and State Department of Education recommended three names, one of which was Gallaudet Drive. The reason we recommend the name Gallaudet was because of the tremendous influence Thomas Hopkins Gallaudet had on the education of the deaf in the United States. Gallaudet was responsible for establishing the first permanent school for the deaf in the United States, the American School for the Deaf, which still operates today. In addition, he brought sign language to the United States and was the first head of a school for the deaf to hire deaf people as teachers of the deaf. He was a man before his time and well deserved the honor of having his name given to various buildings in schools for the deaf around the country, Gallaudet College and now the street on which the California School for the Deaf, Fremont is located. We are proud of the legacy left us by Thomas Hopkins Gallaudet.

Thomas Hopkins Gallaudet

Douglas Tilden

Douglas Tilden was born May 1, 1860, in Chico, California. He lost his ability to hear and to speak following an attack of scarlet fever in early childhood. Tilden was fortunate that his parents enrolled him in the California School for the Deaf. Superintendent Warring Wilkinson believed whole heartedly in art education for his deaf students and offered them opportunities to develop their abilities.

Following his graduation from CSDB, Tilden passed the entrance examinations for the nearby University of California. However, he decided to accept a teaching position at CSD. In his spare time, he developed an amazing skill in modeling with clay. The Board of Directors, recognizing his talent, awarded Tilden a loan of $600 per year for further study in New York and Paris.



Douglas Tilden

During the six years that Tilden worked in Paris, the annual Paris Salon accepted five of his monuments for exhibition—all athletic figures—praised for their "truly American spirit."

When Tilden returned to San Francisco, he was appointed the first professor of sculpture at the Mark Hopkins Institute of Art.

In the meantime, his masterpiece —**The Bear Hunt**—created in Paris arrived at CSDB February 28, 1895. After many years of controversy about who owned the statue, it was officially declared the property of CSD after Tilden's death. The mighty **Bear Hunt,** in all of its bronze splendor, stands today—now guarding the entrance to CSD-Fremont.

By Mildred Albronda, from her book: **Douglas Tilden: Portrait of a Deaf Sculptor.** T.J. Publishers, Inc: Washington, D.C., 1980.

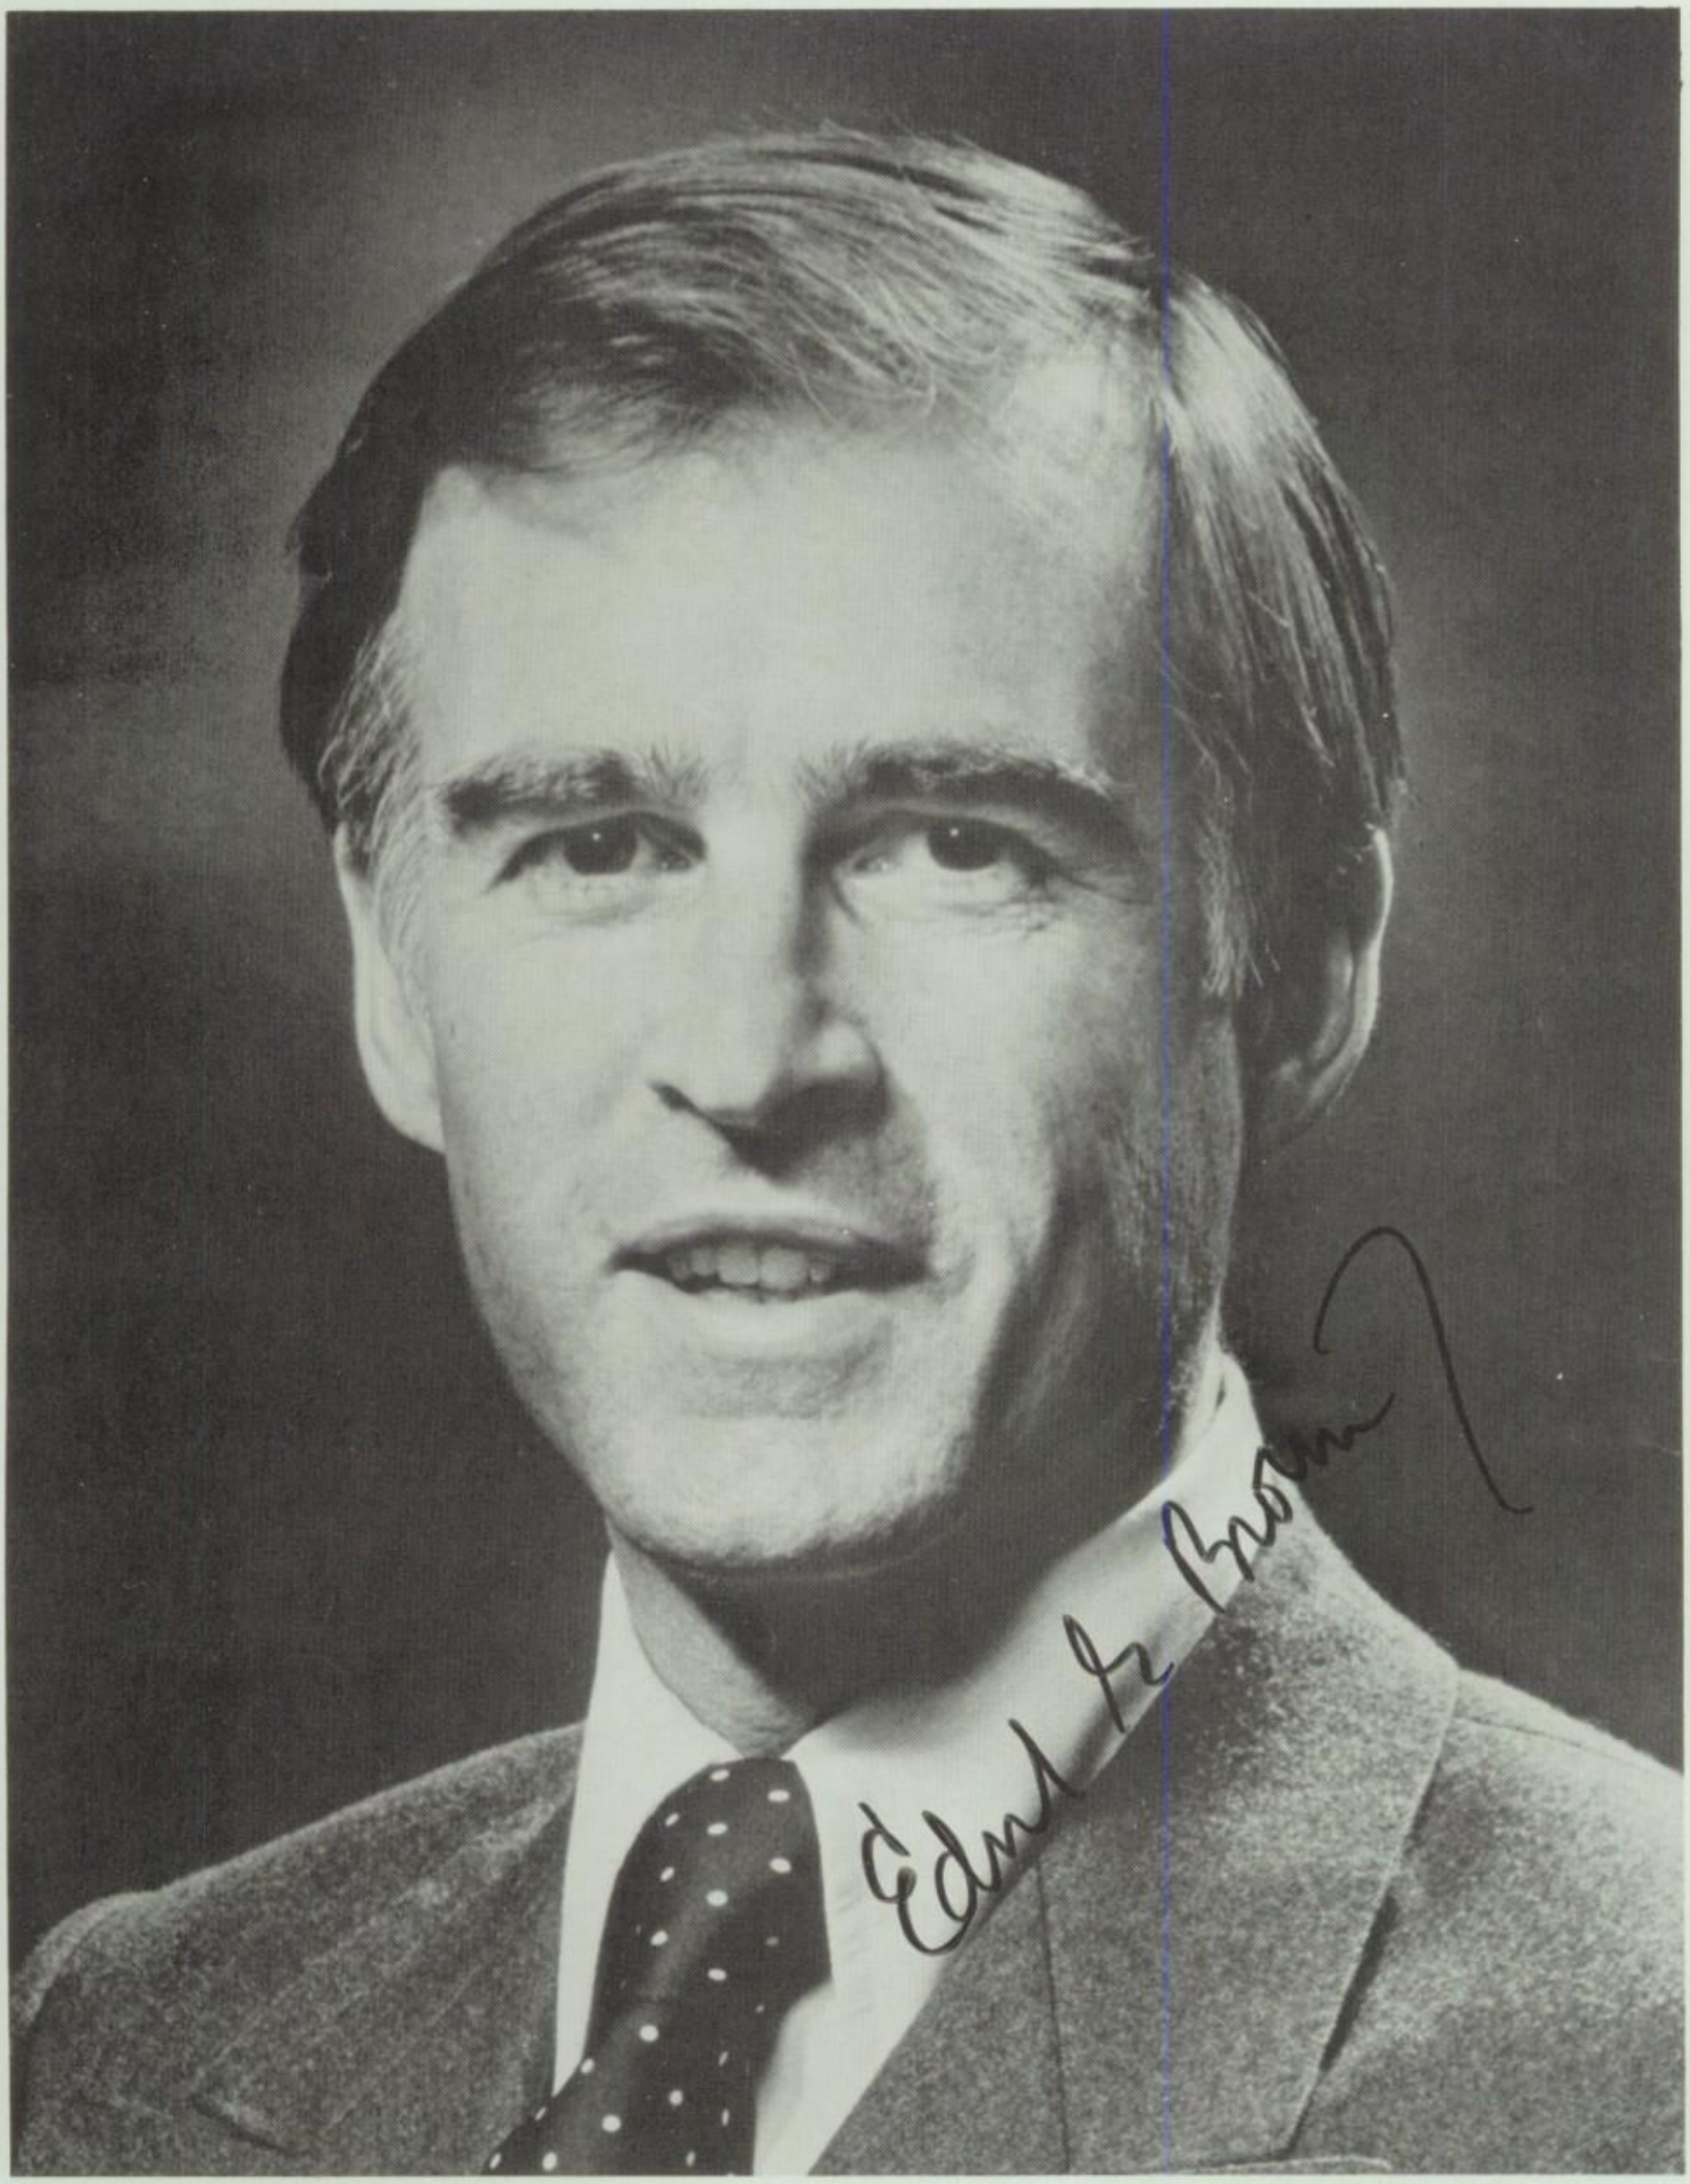
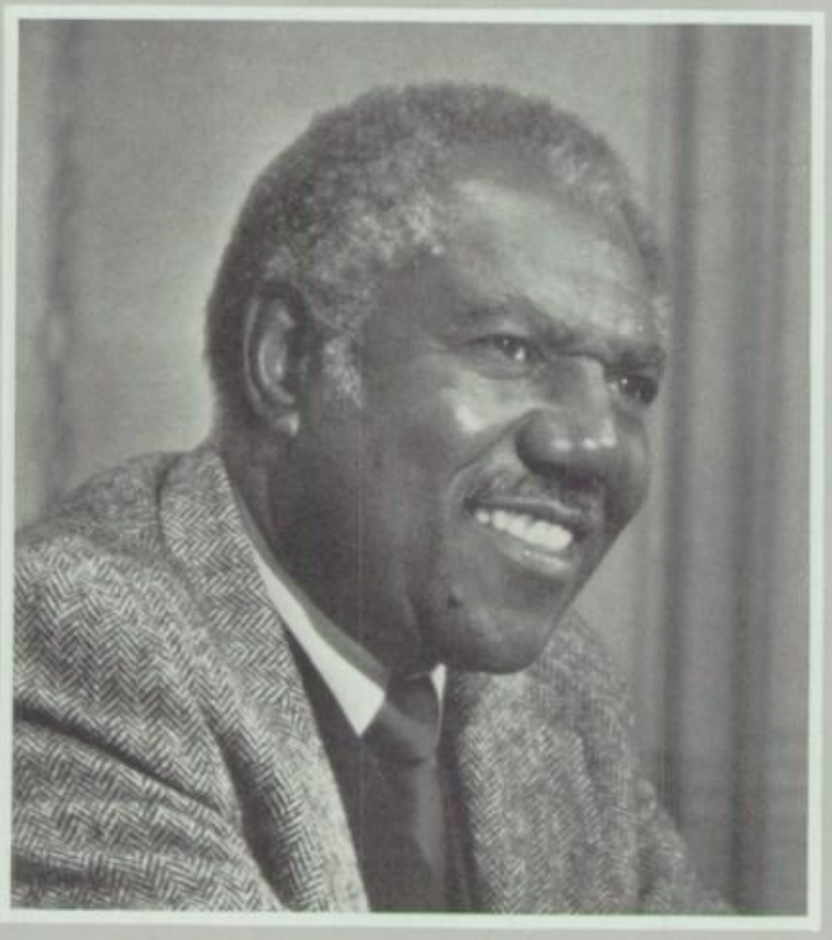
administration



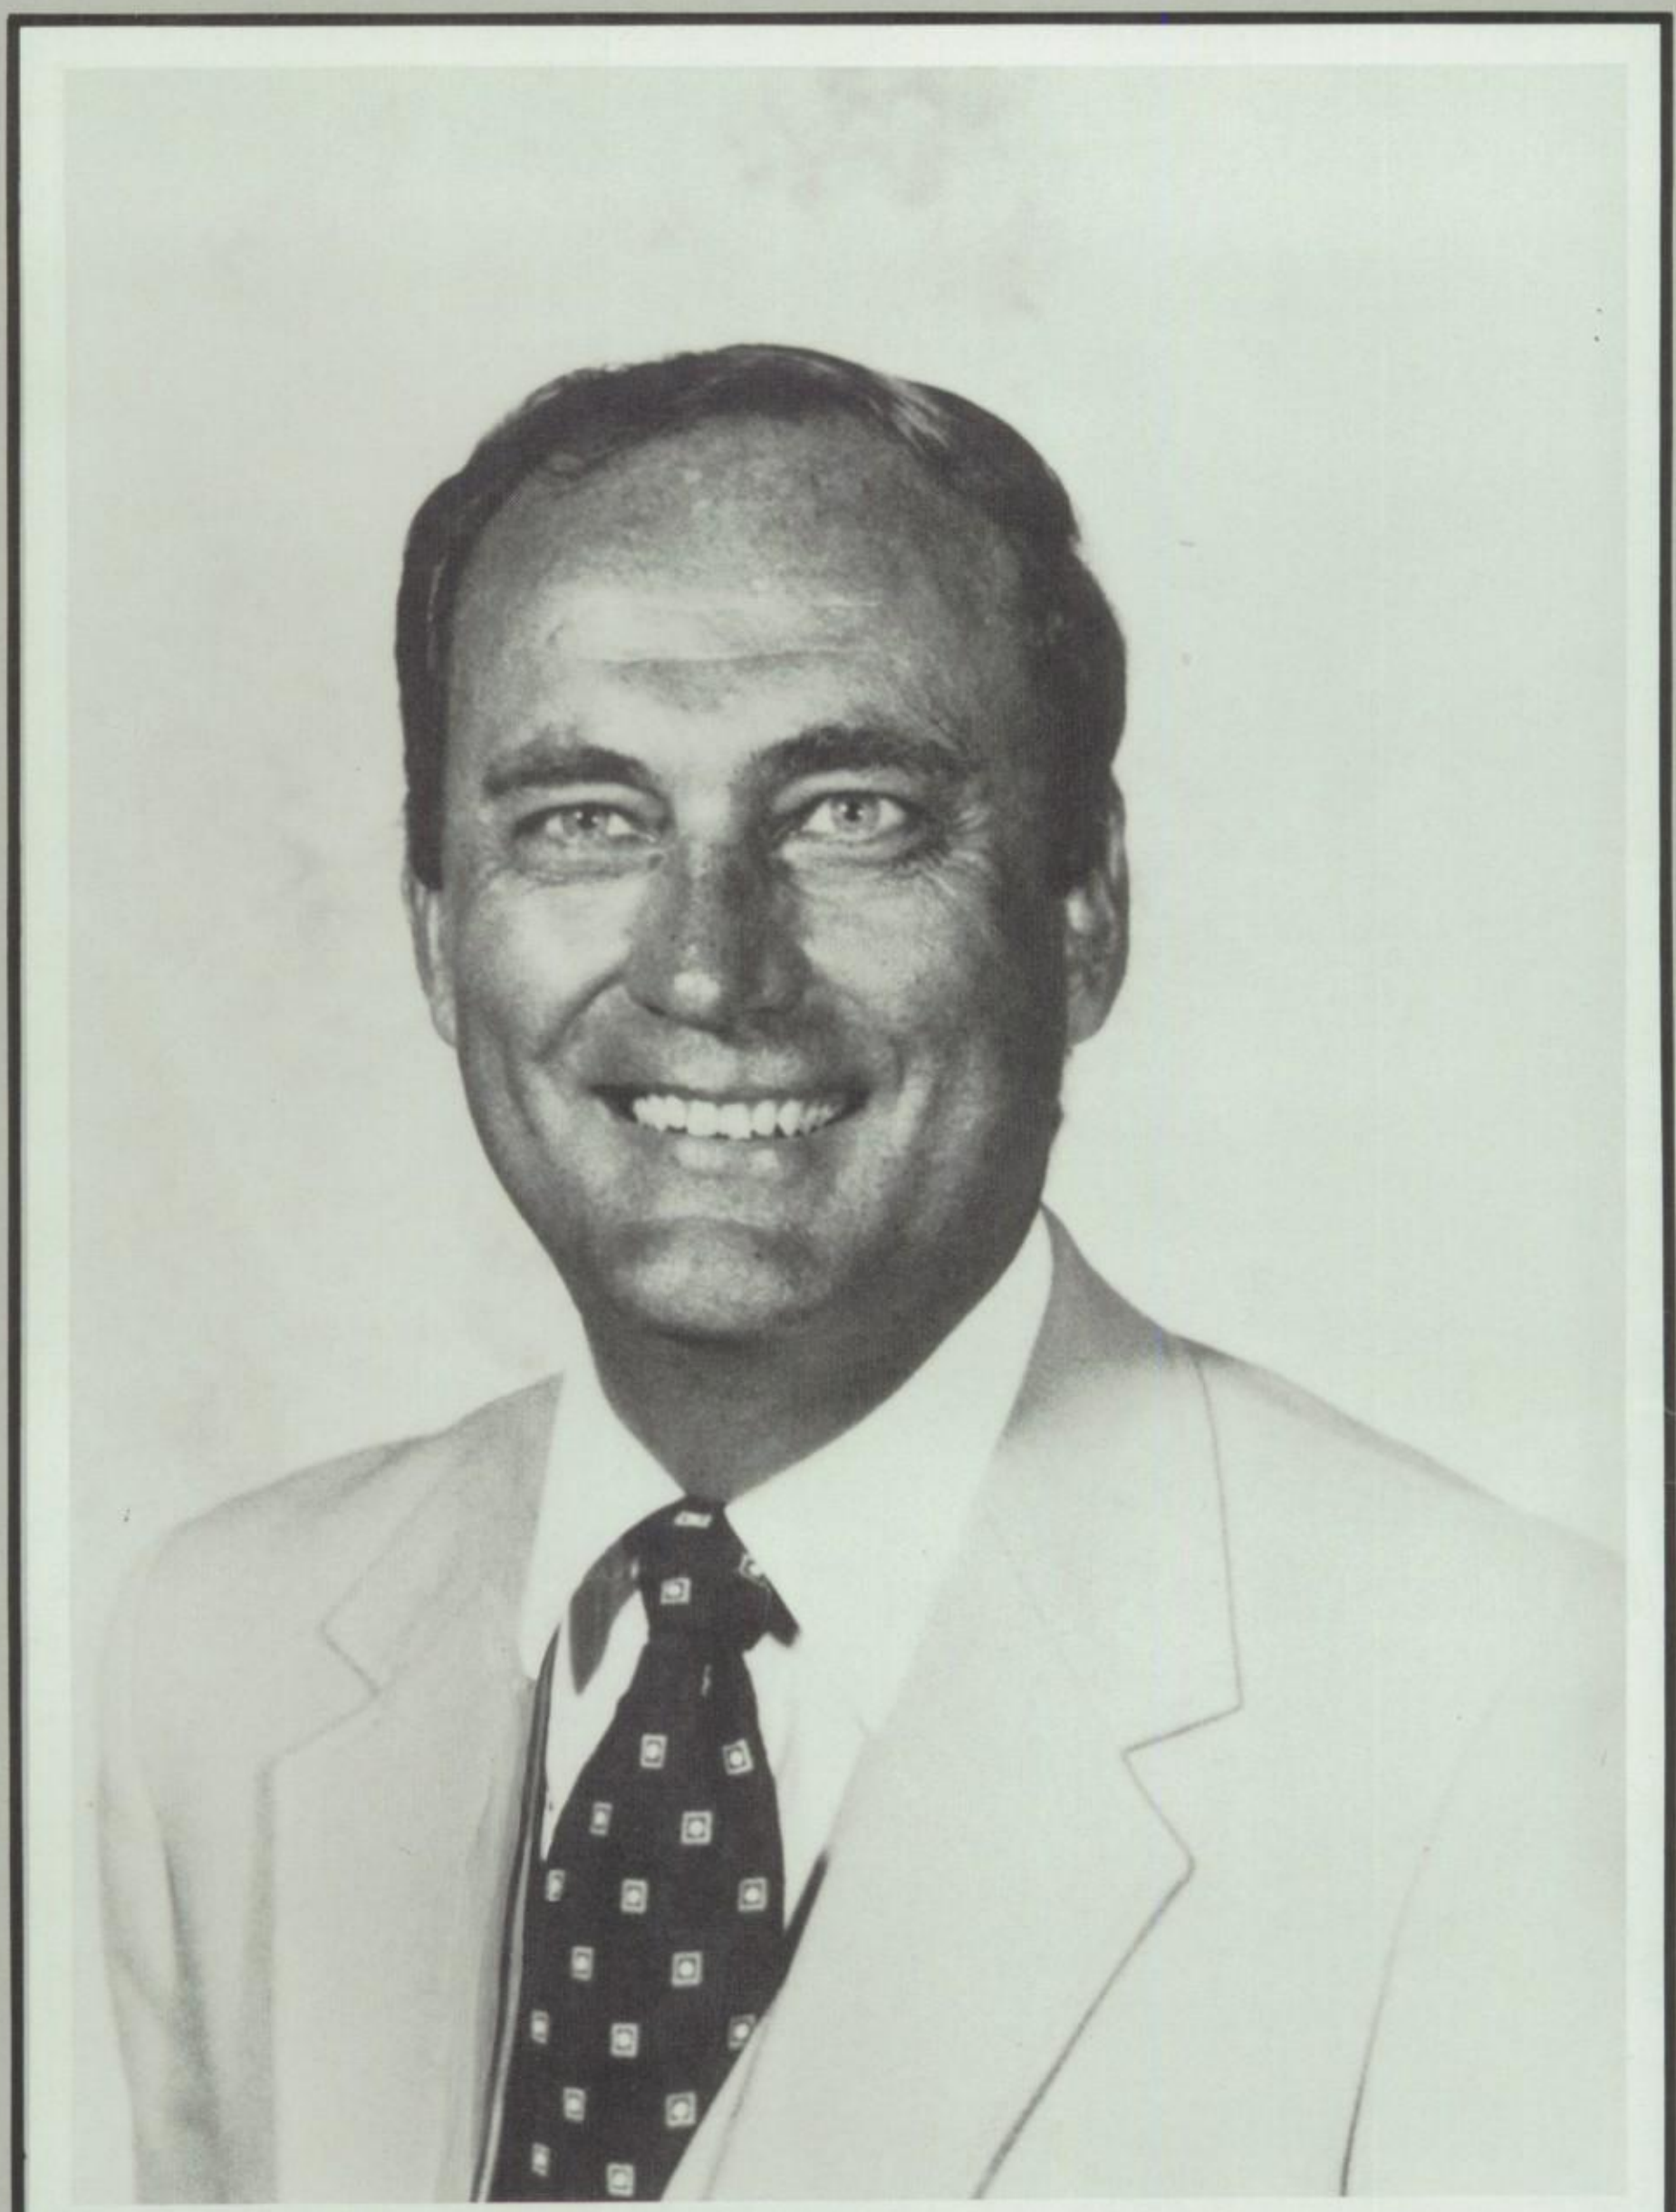
Governor Edmund G. Brown



Dr. Wilson Riles
State Superintendent of Public Instruction
and
Director of Education

Mr. John I. Flores
Assistant Superintendent of Public Instruction
Director of the State Special Schools

Mr. Davis W. Campbell
Deputy Superintendent for Programs



DR. HENRY KLOPPING
Superintendent

It is appropriate for the California School for the Deaf, Fremont to have a fine yearbook to commemorate our outstanding school. I am pleased that the staff, both students and faculty, of the 1982 Eagle are devoting so much time to making a quality yearbook. The Eagle staff is to be commended for their efforts in capturing for posterity the fine events that transpired during the 1981-82 school year.

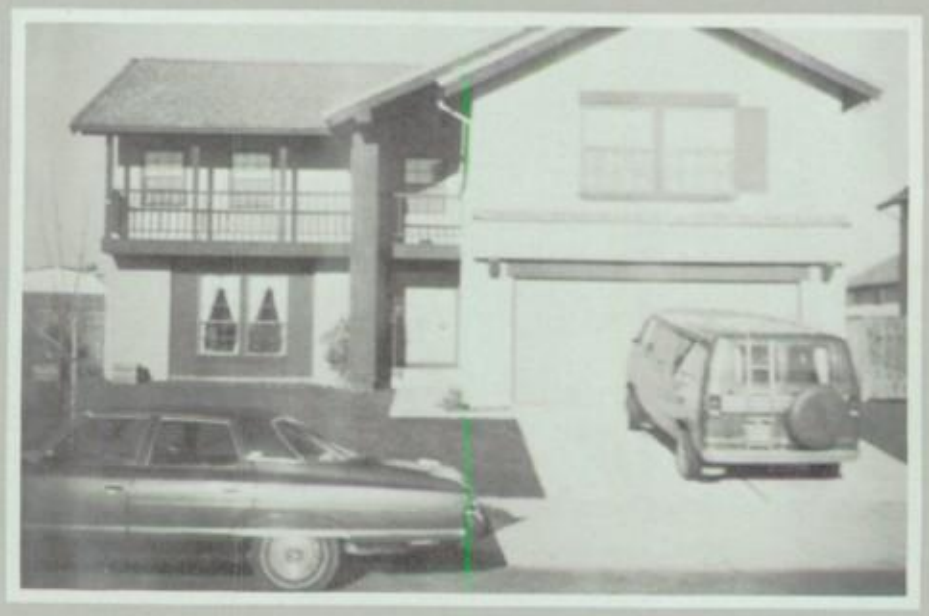
On behalf of the school, I wish to thank you for your work. I know the parents and others in our school community join me in saluting the 1982 Eagle staff. Your work is superb.

Sincerely,

Henry Klopping

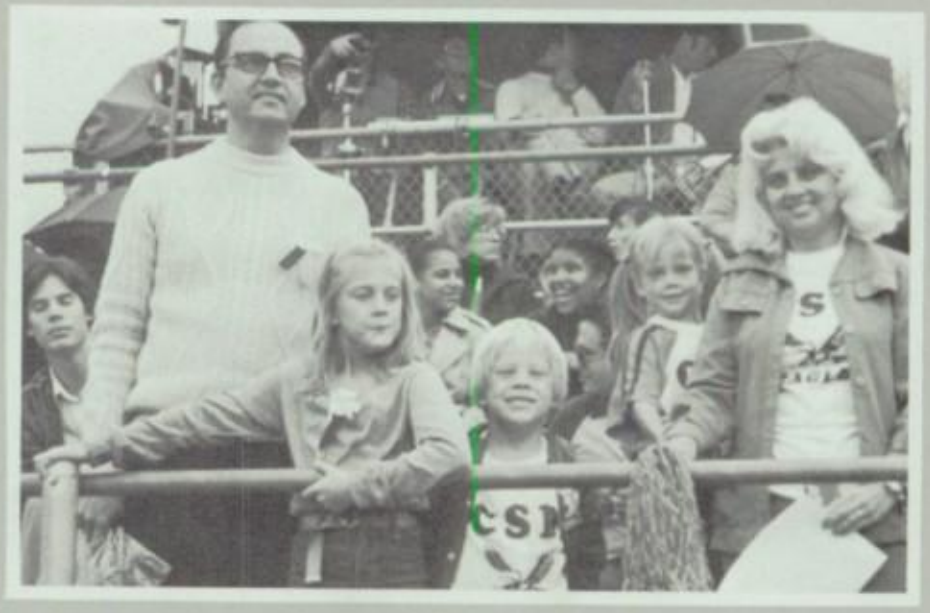
Henry Klopping
Superintendent

The CSD's First Family: Bunny, Margaret 9; Hank; Kimi, 5; Christopher, 6. The dogs are Patches, 10 and Chimi, 10.



The Kloppings' lovely home which is full of good memories.

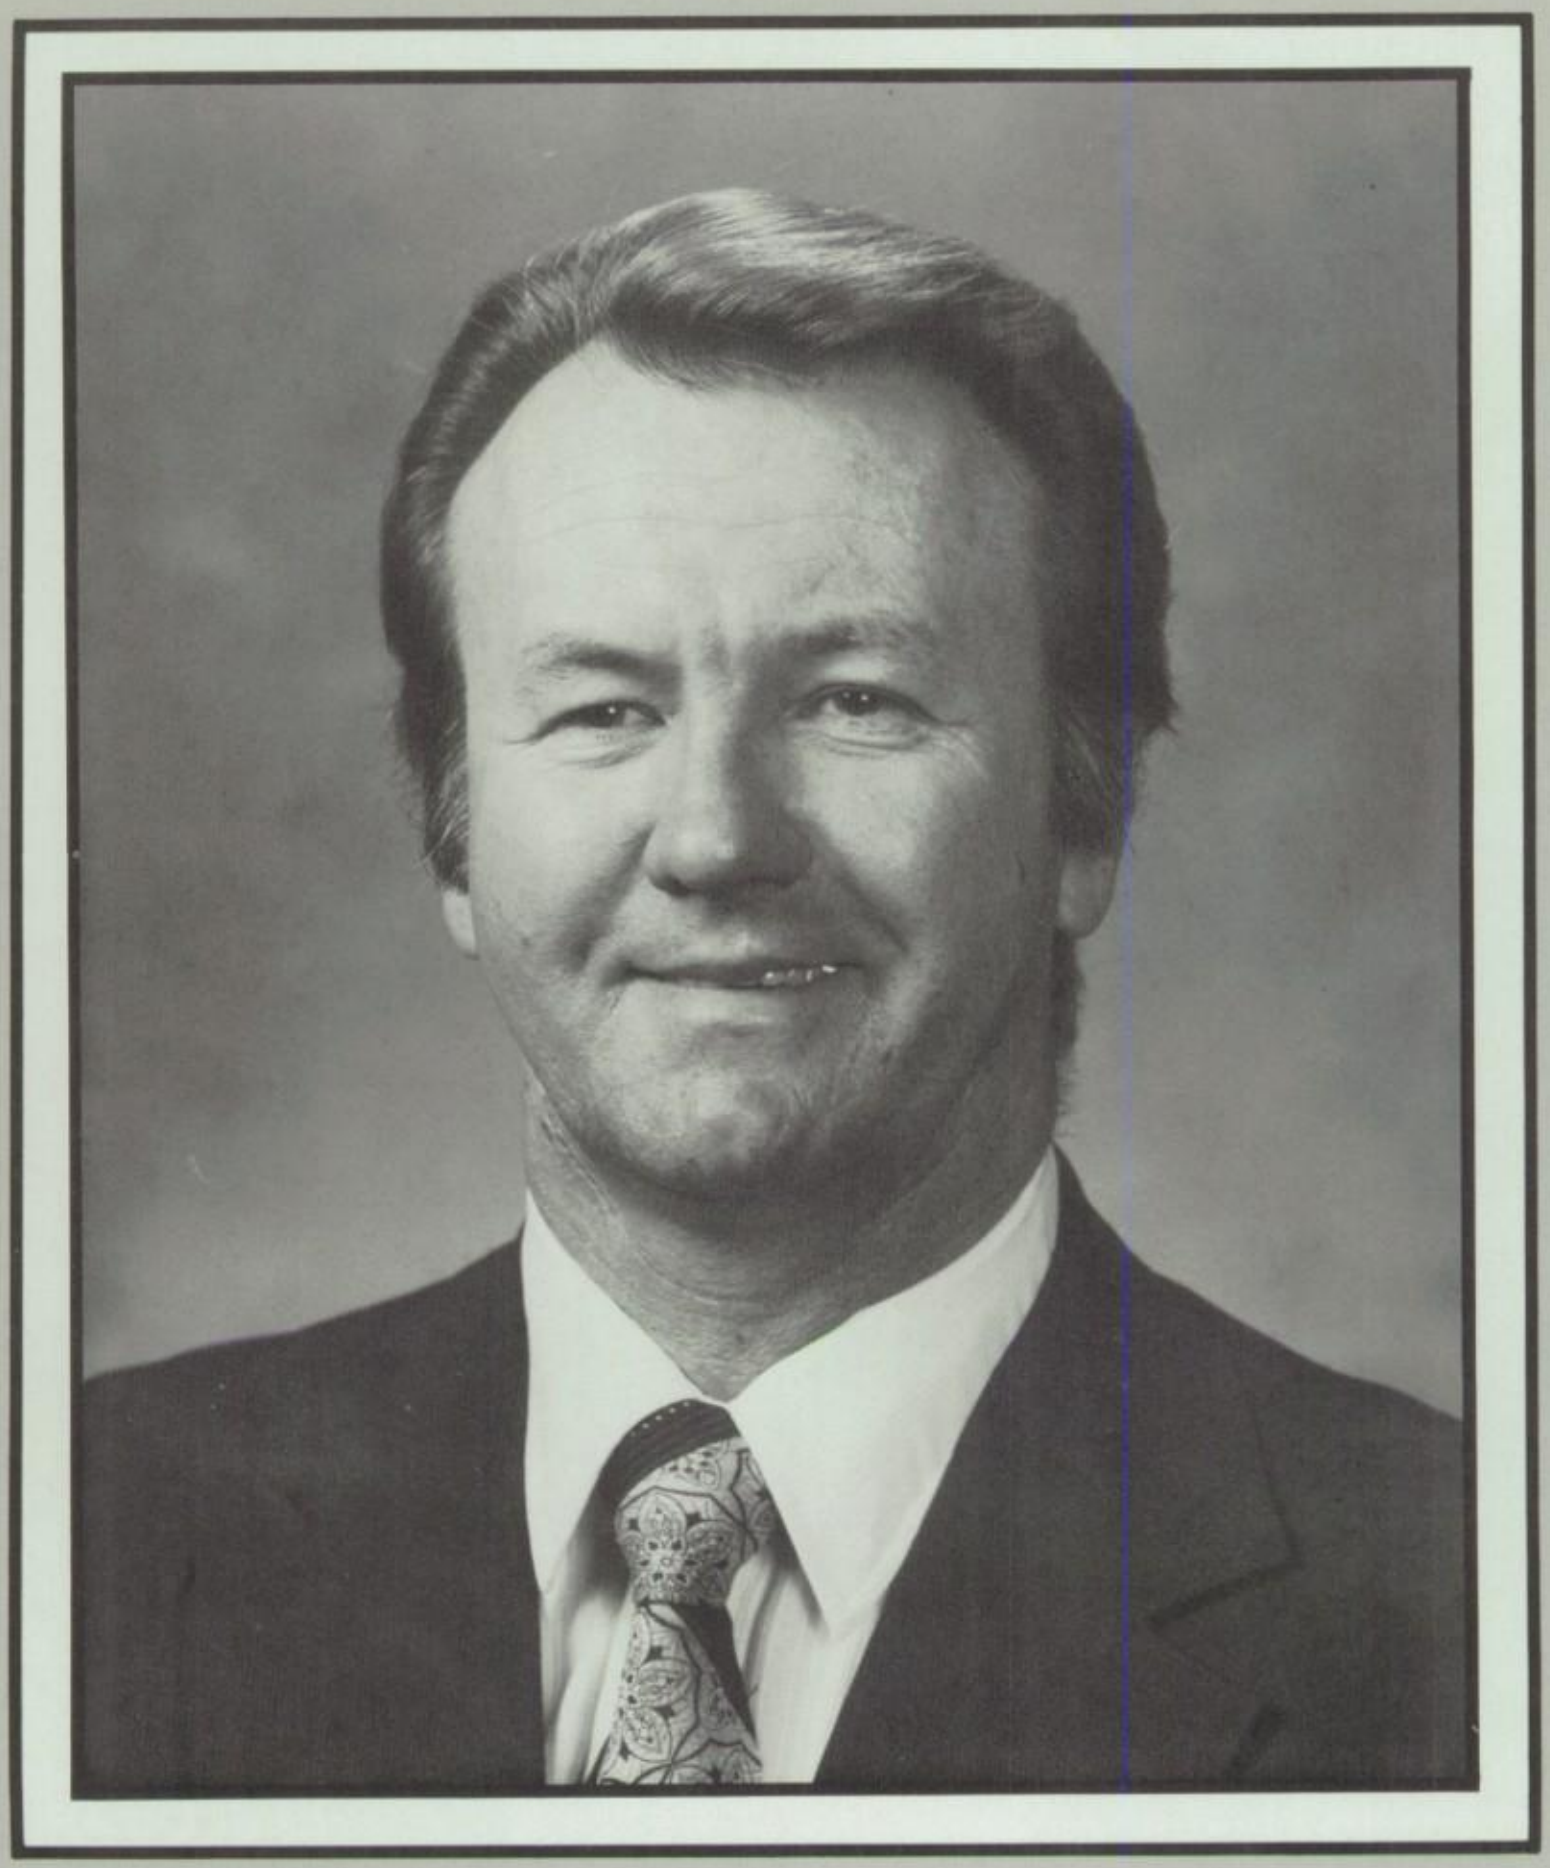
Dr. Klopping and his attractive wife, Bunny, are great supporters of the APTC. (Association of Parents, Teachers, and Counselors)



The Kloppings are great fans of CSD's athletic programs.

Dr. Klopping, an ex officio member of CAC, giving some words of wisdom to the CAC Board members. (Community Advisory Council)

Dr. Klopping honoring a retiring nurse, Helen Culver, at CSD's Tea Party.



JACOB S. ARCANIN
Assistant Superintendent

Mr. Arcanin is responsible for many areas including the implementation of Public Law 94-142 and the mainstreaming of CSD students into local schools. He coordinates CSD with the Local Educational Agencies in Northern California. He also coordinates the Title I programs, Special projects and Athletic programs at CSD.

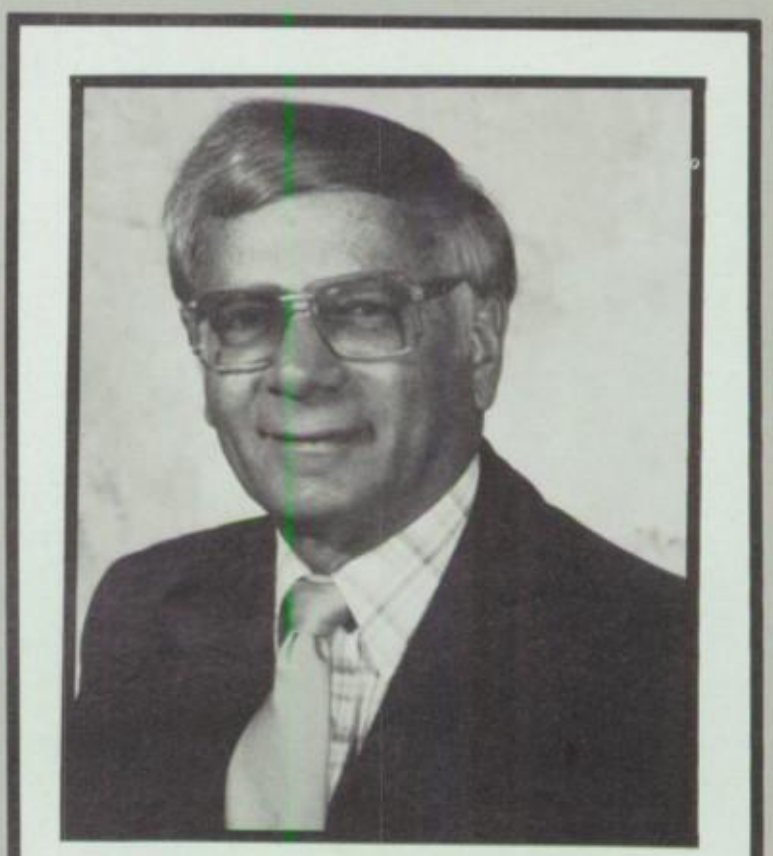
Business Manager

Aronica Jones

The **Kitchen staff** provides nutritionally balanced meals, as well as acquaints our students with various types and ways to prepare and serve foods. The **Janitorial staff** provides a healthy and sanitary environment. The **Business Office** performs vital functions in coordinating student funds, ordering and paying for goods and services and delivering goods received. Our **Personnel Office** handles situations concerning employment. Services include providing solutions and answering questions on benefits, salary, and retirement. Our **Tradesmen** have routinely and expertly done repairs, torn down and built up new walls, created a new lighting system. Our **Boiler plant personnel** have worked diligently in correcting our new facility's heating and cooling problems. Since moving to Fremont our **Groundkeepers** continue to have many technical problems to overcome. Our **Security Guards** keep our area safe from intruders and vandals.

Division of Outreach and Training

Ralph Neesam, Director



The division is involved in a **"Special School of the Future"** project sponsored by the **W.K. Kellogg Foundation** and **Gallaudet College.** This project allows CSD to be a resource center on deafness to the western U.S. Under the name of **"California and the Community"** the objectives of the project are: **parent education, home/school relations, curriculum change, deaf adult skills, professional awareness in the community** and **in continuing education, team effort in problem solving, relationships with public schools** and **a ripple effect to facilitate regional resource centers at other western state schools for the deaf.**

The **Outreach program** has four departments: **Parent Education** which includes workshops, sign language classes, home visits, individual consultation and regional meetings. **Community and Continuing Education** is provided by colleges, universities and adult education. Some of these classes are offered on CSD's campus. **Staff Development** implements workshops, etc. for the staff. The **Volunteer program** is part of our outreach effort.

Division of Pupil Personnel Services

Dr. Eloise McTique, Director

The **Division of Pupil Personnel Services** provides services to students and staff. **Guidance counseling, psychological, educational, diagnostic and audiological** are available to our students. We work closely with teachers and residence staff to assist the students to grow academically, socially, and emotionally. Contact with parents is also an important part of the program.

Services are provided to students enrolled in public schools through the **Northern California Assessment Center.** This part of our division provides in-depth diagnostic evaluations to children referred by their home school districts. The Pupil Personnel Division is involved in student staffings, and IEP participation with other schools. We established an annual workshop for our seniors and one for psychologists in Northern California who work with the hearing impaired. We often have graduate interns in the counseling or psychology field.

The **PPS staff** consists of **an audiologist, guidance counselors, psycho-educational specialists, student evaluator** and **a diagnostic specialist.**

Division of Instruction

Marianne DeLuca, Director

Marianne DeLuca is responsible for supervising a comprehensive educational program beginning with preparatory elementary classes and continuing through an accredited high school program. A sequential, skill based curriculum is followed throughout the grades in **regular academic subjects** and **physical education. Career education** is emphasized in special junior high classes, **fourteen vocational training areas,** and **practical work experience** at the secondary level.

The Division also includes **support services** for the development and correction of **communication skills** and remediation in **reading, language,** and **mathematics.** Two innovative **computer labs** reinforce classroom instruction with individual programmed lessons. **Media services,** which include **the library, the media center** and **a modern television production facility,** offer an extensive collection of supplementary enrichment of materials and equipment.

The **ultimate goal** of the total instructional program is **to enable each student to function independently and successfully as an adult.**

Dean of Students

Kenneth Norton

Ken Norton is the Dean of Students of the California School for the Deaf, Fremont. He is responsible for the development, implementation and evaluation of a comprehensive residential program. The purpose of Mr. Norton's department is to enhance the intellectual, emotional, social, and character development of the deaf students attending CSD.

Mr. Norton's major duties and responsibilities are to serve as a member of CSD's administrative policy-making body and direct all residence supervision, activities, and program developments. The following programs are an example of what is available to the students: The **Foothills Athletic Association** is for those who show an interest in athletics; **Boy Scouts** and **Girl Scouts; Cheerleaders** from the Senior High School who participate in activities during school athletic events, **Family Life** and **Dorm Curriculum Classes** encourage students to learn about social responsibility and to develop values based on good judgement, and the **Independent Living Skills** program for seniors which is conducted by the residence department. **Senior living** takes place in apartment settings on campus where the students learn how to shop, cook and prepare meals, and engage in apartment management skills.

honoring csd retirees . . .

Charlotte Beach

Charlotte Beach was born and raised in the small town of Lithonia, Georgia. She attended the University of Michigan where she was graduated with a Bachelor of Arts degree in Speech Correction and a Master's degree in Special Education. Shortly thereafter she married and moved to San Francisco where she raised two boys and one girl. She began teaching at CSD when she arrived in California approximately and continued for the next 28 years with the exception of time off when her children were small. Charlotte continues to live in San Francisco and plans to work on a degree in Math Education.

Helen Culver

Helene Culver was born in Brooklyn, New York and was raised in Minneapolis, Minnesota. She attended the University of Minnesota where she graduated with a Bachelor of Science degree in Public Health Nursing and a Master's degree in Public Health. She began her career as a nurse in the public school system and then taught Public Health Nursing at the School of Nursing, University of California. Helene was also a Supervisor of Public Health Nursing for Yuba City and the Contra Costa Health Departments. She came to California School for the Blind in November 1972 and worked in the infirmary for both the School for the Blind and the School for the Deaf until October 1981 when she retired. Her hope for CSD is that all goes well with us even through we are facing money problems.

Betty Galvan

Betty Galvan was born and raised in Kansas. She attended the Kansas School for the Deaf in Olathe and went on to Gallaudet College where she was graduated with a B.A. degree. In 1945 she began teaching at the North Dakota School for the Deaf and continued until 1949. The following year she taught at the Minnesota School for the Deaf. In 1950 Betty married John Galvan and they had three children. She began teaching again in 1970 at the California School for the Deaf in Berkeley and during this period she earned a Master's degree from San Francisco State University.

John Galvan

John Galvan was born in Waialua (Oahu), Hawaii. He attended the California School for the Deaf, Berkeley and earned a B.A. degree from Gallaudet College in 1943. In 1945 he began teching at the Kansas School for the Deaf and continued there for two years. He then taught for two years at the Minnesota School for the Deaf. In 1949 John became a teacher at the California School for the Deaf where he remained until the time of his retirement. Many of his former students are printers - some have become teachers of printing. "Johnny" as Mr. Galvan is known to his friends is a leader in the deaf community. He has served two terms as President of the California Association of the Deaf. He has served on a number of state level advisory committees such as the statewide committee on VR and the State Dept. of Education Affirmative Action Advisory Committee. He is well known by members of the state legislature because of his many years of active lobbying on behalf of deaf people and CSD. Deaf people of all ages have benefitted from his services. He is a dedicated professional who has made a lasting impression on the California School for the Deaf, Fremont.

Ethel Green

Ethel Green was born in Memphis, Tennessee and was raised in Indiana. She became a housewife and mother and moved to California in 1942. On January 15, 1946 she began working for CSD as a worker in the kitchen. During the course of her 35 years with the school she worked under three different superintendents: Dr. Stevenson, Dr. Schunhoff, and Dr. Klopping. Ethel states that she really enjoyed her work and feels that everyone was nice to her.

Everett Hughes

Everett Hughes was born in Dekalb, Texas. She was graduated from high school and moved to California in April of 1942 or 1943. During World War II she worked in defense plants to support herself and our country. She also worked as a domestic and in 1959 became a part-time employee with CSD. She became a full time employee in the kitchen in December 1962. Everett said that she was particularly interested in the sign language classes offered at the school. Now that she is retired she would like to master American Sign Language and help out at CSD. She feels that "CSD is the best school in California."

Dorothy Kuntzman

Krotohy Kuntzman was born in Waco, Texas and spent the first seven years of her life there. She then moved to Orange County, California and as a teenager was hired by Walt Disney as a professional whistler for his animated bird. Later she was graduated from Whittier College with a Liberal Arts degree. Shortly thereafter she married and moved to Missouri where she resided for 26 years. In 1968 Dorothy returned to California and began working as a secretary for the personnel office in December 1972. She continued until 1980 when she became secretary for the principal of the Vocational Department until her retirement in December 1981. She "loved every moment" working at CSD and felt it was a "tremendous experience working with the teachers of the Vocational Department."

Norma MacKay

Norma MacKay was born and raised in Dannebrog, Nebraska. She received her nurse's training at Immanuel Hospital in Omaha and graduated after 5 years as a registered nurse. She came to California in 1935 and began working at Peralta Hospital. She stopped nursing for the next 18 years to raise her family. Norma began her career again; this time working for 2 doctors and later she became employed with the infirmary at Mills College where she continued for 6 years. Thereafter she worked at the infirmary for the California School for the Deaf and for the California School for the Blind where she continued until her retirement in April of 1981. Norma is now enjoying her visits with her daughter and grandchildren. Last year she and her sister took a tour of the Scandanavian countries - land of their ancestors.

Lorraine Perry

Lorraine Perry was born and raised in San Francisco, California. She was graduated from high school and attended Lux Junior College for one year. She became a wife and mother and when her children had partially grown, she became an employee of CSD in the position of secretary. For the first five years she worked for the Parent Orientation Program and then became secretary for principal of the Elementary School. She later became a full time secretary for Mrs. DeLuca in the Curriculum Department. After ten years of service with CSD, she comments that her work had been fulfilling and her supervisors had been "terrific" to work for.

Varsity Football

We enjoyed a winning season this year as we chalked up 6 wins against only 3 losses. It was a far cry from the 0-10 campaign of 1980.

We, the coaches, called our defensive team **"ORANGE PEELERS".** Our defense was the cornerstone of the Eagles' success which translated into a third-place finish in the Bay Six League. The defense recorded four shutouts and allowed just 92 points in games. Opponents managed just 136 yards per outing against us. We also pick off 23 passes.

The fact that our defense produced only 86 points in 9 games is misleading in some ways. Penalties and turnovers plagued us throughout the season. Our offense caught fire in the final two games and racked up 48 points to overpower our opponents.

The season's highlight was our ending California School for the Deaf, Riverside's 5 year winning streak against us. We beat them in the annual **BIG GAME, 20 to 0.**

FIRST ROW: Wendy Chadd, **Manager;** Gregory Rice, Robert Tucker, James Collins, Manuel Rameriz, David Brooks, Kenny Thigpen, Aarion Johnson, Juan Diaz, Leslie Firl, Derek Johnson, Brian Lind, Tim Siaki, Kathy Bartlett, **Manager;** Tim carillo, **Manager. SECOND ROW:** Gene Duve, **Head Coach;** Mike Teague, **Assistant Coach;** Shawn Jones, Robert Diero, Abdon Gonzalez, Steve Godfrey, Barry Calica, U Sung Chung, Chris Lengjel, Mario Moreno, Francisco Carrasco, Augustin Gonzales, Alex Ash, Charles Pedersen, Gil Lentz, **Assistant Coach. THIRD ROW:** Sean Quinn, **Manager;** Jason Ingraham, Clinton Howe, Ted Baldwin, Jay Scotten, Mark King, Alex Pena, Dwane Berry, John Divine, Mark Dehaesus.

As football season began, there were about 60 boys interested in joining the J.V. team. At first these boys were "greenhorns"; but now they have learned basic principles of football. The **assistant coaches** were **Jovette McCallon, Bill Baim** and **Scott Kramer.** The **head coach** was **Gene Duve.** Although it was a losing season for the J.V. team, they have gained many new skills. Hopefully next year the J.V. team will improve their record, since they have increased their football knowledge.

We're looking forward to a better football season next fall.

Varsity Volleyball

The Girls' Varsity Volleyball Team completed one of the **best** seasons of our CSD's history. We won 11 games and lost 6 games overall. Our team placed **second** in Division II, **Bay Area Conference** with 9 wins and 5 loses.

For the first time in our volleyball season, we entered **BAC** playoffs, but lost to Crystal Springs in the playoff match.

We will miss five senior players. **Dako Tiku** was our key prime setter who collected 139 settings. She was the **first team all star** in the BAC league. **Katie Kellar** was our terrific server, making 117 serves to set our new school record. **Coreen Farquar** played her best in four years of volleyball. **Renee Trosin** was our second best server, with 107 serves. **Becky Bonheyo** led 73 attacks and our team brought in a total of 325 attacks in 17 games. **Lisa King** was our solid defensive player. **Ladena Evans** and **Elena Gee** will return for the 1982 Volleyball season.

Bob Ellis will always remember the 1981 Volleyball season as the **best** one in his four years coaching the Girls' Varsity Volleyball Team.

The 1981 Junior Varsity Volleyball team played a tough fourteen-game schedule. Finishing with a 4-10 record, with a group of young first-year players to return, the team should be in fine shape for next year's season. As a whole, the girls improved their skill and teamwork over the season. Our promising players are **Anita Dominquez** and **Terri Ward (1st team all league selection)** who may move to Varsity next year and are to be watched in coming years.

In spite of the 2-6 record, the racing time among the runners indicated marked improvement over last year. **Daniel Rosenthal,** who led the varsity in every meet, finished 23rd in the tough **Bay Area Conference Championships.** We should be a better team next year with all seasoned runners returning.

CSD girls enjoyed its initial and banner season, thanks to three Golden Eagles: **Tamara Gaudet,** who advanced from **North Coach Section** to **Meet of Champions** (the first appearance in CSD history), placed second in BAC by one second! and placed fourth in NCS and 41st out of 102 in MOC; **Anne-Marie Baer** and **Reyna Soto** were instrumental in every meet and victory and also fared well in BAC and NCS in which CSD as a team placed third.

We had a consistant top runner through the season was **Joe Blanco.** Experience and hard practice were important in the meets.

CSD'S GAUDET ON TO MEET OF CHAMPIONS

UPPER LAKE-Tamera Gaudet of the California School for the Deaf qualified for the **North Coast Section** cross country **Meet of Champions** next week by placing fourth in the NCS 1-A meet held Saturday at Middle Creek Campground.

The Eagle runner, who last week finished second in the **Bay Area Conference** meet, ran the 2.7 mile course in 21:30. **Anne-Marie Baer** was the next Eagle to cross the finish line. She was 18th in a time of 23:33 and followed by teammate **Reyna Soto** in 23:46.

Dawn Ramos (36th) and **Donna Kissinger** (43rd) rounded out the Eagles' top five. The team, which was third in the BAC meet, failed to qualify for the Meet of Champions.

CSD's boys' team failed to make it to the 1-A meet as it finished sixth in the BAC. **Daniel Rosenthal** was the leading Eagle runner, taking 23rd.

Gaudet will complete with the 2-A, 3-A and 4-A runners in the Meet of Champions held Saturday at Heather Farms in Walnut Creek.

THE ARGUS, Sunday, November 15, 1981.

Homecoming Week

Eagles VS Cubs

CSD-Fremont Rolls Over

FREMONT - It was Big Game week at the California School for the Deaf and the Eagles' game with CSD-Riverside took on the trappings of a Cal-Stanford matchup on a smaller scale.

The annual game with CSD's Southern California neighbor was the big topic of conversation on campus all week. Programs were printed and tickets sold for the first time this season. A packed house crowded into the Fremont school's first-year stadium.

The Eagles didn't disappoint their big homecoming crowd as they snapped a five-year losing streak against Riverside with a 20-0 victory. Burly sophomore Tim Siaki was the game's standout as he scored two touchdowns and one conversion, intercepted a pass, recovered a fumble and led the team with six unassisted tackles.

By winning, CSD-Fremont completed a 6-3 season, a far cry from the 0-10 campaign of 1980 that ended with a 32-14 loss to Riverside. The visiting Cubs lost for the eighth straight time this year.

The Eagles dominated the game from the outset. They pounded the Eagles for 208 yards on the ground and could easily have had a great deal more if not for 121 yards in penalties.

CSD's defense, meanwhile, was stifling. It held Riverside to a minus-46 yards rushing and a minus-34 overall. Only once, after the Eagles lost the

Arch Rival From Riverside

ball on downs, did Riverside have the ball in Eagle territory.

The Eagles didn't take long to score. Siaki recovered a John Maucere fumble at the Riverside 22 and three plays later, the 255-pounder crashed over from 9 yards out for a 6-0 lead.

CSD-Fremont threatened to score again on its next possession after Juan Diaz' 23-yard run put the Eagles in scoring territory. But on fourth down and one from the 8, Siaki was stopped for a loss by Matt Weaver.

The swarming Eagle defense set up the second score. In three plays CSD dropped the Cubs for a total of 17 yards in losses. On the third, Maucere again fumbled and Chris Lengjel covered the ball at the Riverside 6.

Three plays later Siaki tallied his sixth touchdown of the year and then added the extra point for a 14-0 edge.

Siaki's interception after Kenny Thigpen tipped a Maucere pass again gave the Eagles the ball in Cub territory at the 23. However, the Eagles seemed to be stymied when they faced a fourth down and 14.

But quarterback Leslie Firl scrambled for 22 yards to the 5. Then Diaz, who finished with 96 yards on the ground, sliced over for the final points of the game at the 2:21 mark of the second period.

The **Varsity Basketball** Season closes with an overall record of **10-14.** CSD was doing very well in two tournaments this year placing third in the Redwood Christian Invitational Tournament and second in the California Classic Tournament.

It was a great honor for CSD to be invited to play a preliminary game at the **Oakland Coliseum** where the **Golden State Warriors** play.

It is anticipated to be even better next year when **seven out of ten** players return with much talent and experience.

Thanks to you all for your loyalty and support in our basketball programs.

Boys' Varsity Basketball

Our basketball team is one to be proud of. We had a lot of boys show up for tryouts. After lengthy drills and exercise, the coaches picked the talented players for our team. Everyone worked very hard to make the team. We only had 2 days practice before our first, unannounced, and unexpected game.We lost that first game, but after that we worked hard and **won all the rest of our home games.** We were very proud to beat our arch rival, Emery, who won the Bay Area Conference Junior Varsity Championship this year. Our overall record was an impressive **12-6!** We are all looking forward to an even better season next year.

Boys' Junior Varsity Basketball

The past season was a successful and promising one. The girls have shown great improvement especially in the areas of defense and rebounding. We had to rely on tight defenses and fast breaks to make up for our weak shooting.

We were 4-10 in our league and 6-12 overall but our record is somewhat misleading. Even against the top league teams and in all our games but one, we either led or were behind by only a few points at halftime. If we could only have been able to play as well in the second half, there's no telling how many more games we would have won! We had problems with inexperience, lack of fundamentals and absences (especially in the 2nd part of the season).

The girls really showed excellent spirit, attitude and character throughout the season. With most of the players coming back (only 3 seniors this year), we expect continued improvement. **We really have excellent chances of winning next year's California Classic, having a winning season and qualifying for the league playoffs!!**

First Row: Lisa Siemens, **Statisican;** Anita Dominguez, Dako Tiku, Tamera Gaudet, Nancy Stecker, Elena Gee, Lisa Schweiger, **Scorekeeper. Second Row:** Lede Blanc, **Manager;** Julie Boswell, **Manager;** Carol Foster, Ladena Evans, Becky Bonheyo, Renee Trosin, Asa Lodge, Ron Stern, **Head Coach.**

This season was a great opportunity for JV players to develop their basic fundamentals and experience. A lot of emphasis was used on teaching the players how to rebound, ball-handle, pass and, most importantly, shoot. A lack of these fundamentals forced the team to sue a fast break and tight defense. As a result of this, the team won 5 out of 13 games. Some of the losses were by a few points.

The players will be more competitive next year if they continue to improve their basic fundamentals and to play their "hearts" out.

1982 CSD Eagles' wrestlers notched their first winning season in many years. They have won 6 dual matches and lost 4.

Leslie Firl, 167 lbs., posted a 7-1 record, with **Juan Diaz,** 138 lb., tying with an identical 7-1 slate. **Juan Diaz** clinched the third place in Coast Mountain - Bay Area Conference qualifying tournament. **U Sung Chung,** 126 lb., came up with a 8-3 record and landed the fourth place in the qualifying tournament. Our new 98 lb. wrestler, Gary Lee, won 7 individual matches and lost 2 and also placed 4th in the qualifying tournament. **Arnold Marin,** our improving 200 lb. wrestler, was placed 4th, too.

The CSD Eagles are keeping their eyes on future good wrestlers in **Cal Peterson, Jude Ogo, Nathan Fylstra, Larry Rios, Augustin Gonzales, Dan Dockery, David Winklepleck** and **Andrew Rodriguez.**

The CSD grapplers will miss the services of **Leslie Firl** and **U Sung Chung** through graduation and age eligibility.

CSD COED BADMINTON

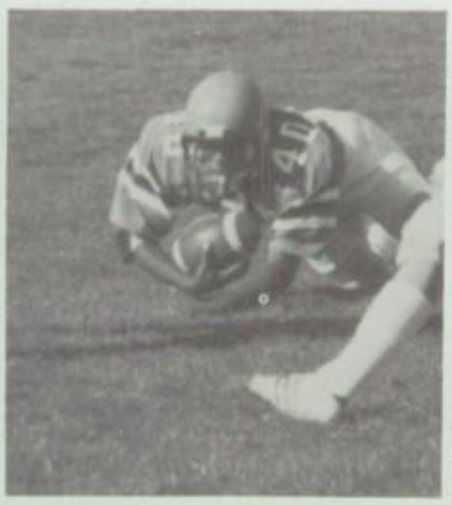
Badminton was played in Badminton, England. During World War II our soldiers saw the British play it, and now we all play it.

There is a light badminton racket and instead of hitting a ball, the players hit a bird, or shuttle cock. The game can be fast and strenous.

Our team plays boys' single, boys' double, and mixed double (one boy and girl together), girls' single, and girls' double. We play in a league and play against Lick-Wilmerding High School, Kathryn Branson School, and University High School. After our league games, we all play for pleasure. **Dennis Lauraya** and **Edmund Fontanilla** are our most experienced players, with **Mark Carrasco** and **Felix Flores** having some experience. **Tammy Stodgell** and **Nancy Jimenez** are our experienced girls.

Special Olympics Swimming

First Row: Jeff Klein, Tommy Wyman, Kevin Woodward, Stuart Tallman, Jimmy Kimsey, Alex Estrella, Kenneth Brantley, Julian R. Eads. **Second Row:** Brad Engledorf, Jeff Cloud, Deborah Brown, Carolyn Baer, Charlotte Barnes, Margaret Clark, **Coach;** Paul Kinney, **Coach;** Judy Roberts, **Coach;** Mike Lynn, Elbert Smith, Tim Clark, Jimmy Martin.



Football Cheerleaders

Junior Varsity Basketball Cheerleaders

FRONT ROW: Shari Kido; Leonesa Vitorino; Donna Kissinger. **BACK ROW:** Karen McDaniel; Tracey Mumford.

Rae Etta Wales, Sponsor and **Norma Richards,** Head Sponsor.

This year's cheerleaders have been very active throughout the school year. They have lent strong support for our football and basketball teams both at home and the road. Besides lending moral support to our athletes, they have been busy organizing dances and rallies to promote overall school spirit. With guidance of sponsors **Norma Richards** assisted by **Rae Wales,** the football cheerleaders started off the year with a lot of enthusiasm. These girls culminated a season of hard work with a splendid showing at the **Big Game** and **Open House** boasting the new uniforms which **APTC** and **FAA** helped to finance.

Basketball season brought about enough interest to have two cheerleading squads. The basketball cheerleaders climaxed their season with participation at the **California Classic at Riverside** and placing **third** in competition.

All in all, CSD's cheerleaders have been representative of the spirit which our school is proud of.

APTC

The **Association of Parents, Teachers and Counselors** promotes the educational, physical, social and recreational development of the students. Its activities this year include hosting the **staff luncheon** in September and the **Senior Banquet** in March; helping with **new student registration** and the **spring and fall open houses.** APTC also gives financial support to various student activities. The main fund raisers were a **donkey basketball game,** two performances of **Musign, Jog-A-Thon** and **a raffle.** Members also met singly and in groups with their state legislators to explain CSD's philosophy and ask for their support.

The association meets the first Tuesday of each month during the school year in the main dining room.

Left to Right: Margie Bella, **Treasurer;** Teddy Kelly, **Secretary;** Diane Muscadine, **Vice President;** Richard Bonheyo, **President.**

The objective and purpose of the Community Advisory Council is to assist the California School for the Deaf, Fremont to being about cooperation and coordination of the community resources within the geographical area served by the California School for the Deaf, Fremont, which may be of value to the deaf and hard of hearing. In achieving this purpose, the Community Advisory Council has the authority to fulfill such responsibilities as are defined in its by laws and as mutually agreed upon by the Council and the school administration.

The responsibilities of the Community Advisory include, but are not limited to:

a. Advising the administration of the California School for the Deaf, Fremont regarding the development of their statement of assurance for the implementation of P.L. 94-142.

b. making recommendations on annual priorities to be addressed under the plan, abd under E.S.E.A. Title I activities.

c. assisting in parent education and in recruiting parents and other volunteers who may contribute to the school.

d. encouraging public involvement in the school.

e. acting in support of hearing impaired individuals.

f. facilitating communication between school, parents, and school community.

g. informing and advising the California School for the Deaf, Fremont staff regarding community conditions, aspirations, and goals for hearing impaired individuals.

h. providing support to parents, teachers, students, and school community for any program that affects hearing impaired individuals.

The Community Advisory Council serves as a review panel to study and make recommendations on various aspects of the school. The areas to be reviewed will be mutually determined by the Council and the school administration.

CloseUp®

The **CLOSE UP** Program has brought about 14,000 high school students and teachers across the country to participate in a week-long immersion in the U.S. Government in Washington, D.C. during the school year 1981-82. Classroom settings took place in the State Department, the Supreme Court, the Pentagon and a congressional office which made it more real than it ever could be in a textbook. Since this program week included a large contingent of deaf students, interpreters were provided from dawn to dusk.

Program activities included twelve hour-long seminars with guest speakers, workshops topicals with **CLOSE UP** staff in evenings, tours and entertainment including show and pizza nights. During our free time, we visited the Arlington Cemetery, National Air and Space Museum, National Museum of History and Technology and former CSD friends attending at Gallaudet College.

Many sincere thanks are rendered to **A.P.T.C., Phi Kappa Zeta Corority, Gallaudet College Alumni Chapter, San Leandro** and **Concord Kiwanis American Builders, Safeway, parents** and **all other Fremont donors** for their financial support to make this mission **GREAT** for us.

First Row: Scott Allen, Alex Ash. **Second Row:** Derek Johnson, Becky Bonheyo, Ken Thigpen. **Third Row:** Mary Dallas Herrold, **Sponsor;** Frank Simonalle, Nancy Stecker, Tamera Gaudet.

FAA

The **Foothills Athletic Association** began on September 30, 1901 when the boys living in the old Bartlett Hall held a meeting and organized an athletic association, under the direction of a teacher, **Dr. Winfield Runde.**

During the month of October, 1928 the girls decided to be involved in athletics, too. They organized their own **Girls Athletic Association** under the guidance of their P.E. instructor, **Miss Kathryn Miller** with the aid of their dean, **Mrs. Vernon S. Birck.**

As days passed both F.A.A. and G.A.A. have been expanding and going stronger.

For the first time during the school year of 1977-1978, the F.A.A. and G.A.A. have formed into a co-ed organization due to the requirement of Title IX on Sex Discrimination. The members decided to keep the old name **"Foothills Athletic Association"** for their new organization. The nickname "Foothills" was undoubtedly orginated because of the hills behind the school. Our new school campus in Fremont will still be in front of hills.

The purpose of the Foothills Athletic Association is to promote athletic activities the students of California School for the Deaf; to foster good will, school spirit, scholarship, good citizenship and sportsmanship; and to uphold the good name of the school. It is also to provide its members valuable knowledge in regard to carrying out business meetings with correct parliamentary procedure and in an efficient manner, and to afford experience in the management of financial matters and the carrying on of business transactions in a regular and effective way. The last is obtained by operating one canteen and one store.

The F.A.A. awards **"C"** letters to outstanding varsity players and a trophy to the most valuable player in each sport.

The official colors are **orange** and **black** and the **Eagle** is our mascot.

The Foothills Athletic Association

Front Row: Coreen Farquar, **President;** Dako Tiju, **1st Vice President;** Tamera Gaudet, **Treasurer. Literary Society

The **D'Estrella Literary Society** owes its distinguished name to perhaps one of the most fascinating personalities in the history of the California School for the Deaf. **Theophilus Hope d'Estrella** was C.S.D.'s first pupil who returned to become a teacher for fifty-three years. He helped to establish the original **De l' Epee Litera y Society** of which he had charge for many years. One of the many fine things remembered of him was his unusual facility in captivating his children with his elaborate stories and lectures which he told in sign language and mime. **The De l'Epee Literary Society eventually and appropriately adopted his name to honor this extraordinary individual. To this day the Literary Society continues to acquaint our children with he various forms of literature and to give them poise in appearing before an audience.**

SAC

The Student Advisory Council **(SAC)** is one of the most important committees on campus. This group of thirteen members is made up of the presidents of various student organizations, class presidents, cottage representatives, day student representative. These students meet with Dr. Klopping, Supt., on a regular basis to report on their respective activities, express their concerns, and make recommendations. The advice given by the Council has been useful in helping the administration and staff respond to student needs and concerns. The Council is one of the major ways for students to have input to the adm.

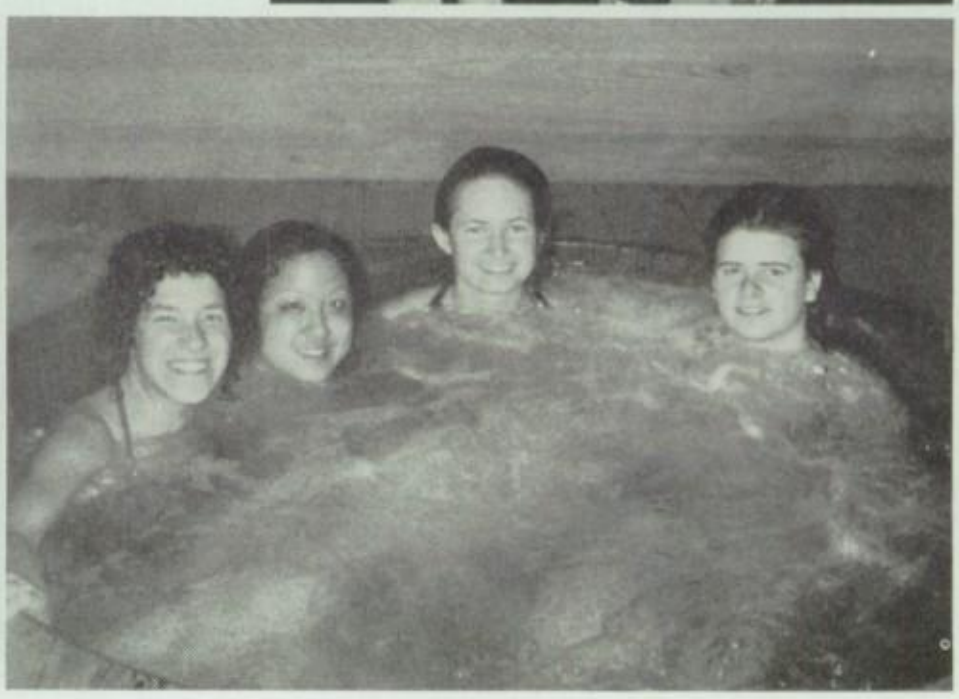
Duve, **Sponsor. Third Row:** Debbie Bracco, Traci Whitworth, Wendy Kaestner, Neva Moeckel, Jean Herring, Kelly Jenkins.

The Winners Club is a social service organization. Its purpose is to provide high school girls with new and enriching learning experiences by serving others. They learn how to plan and prepare dinners and parties for themselves and others. The annual Christmas Tea, honoring our sponsors, has became a huge success. Monthly activities are planned to provide the girls with an opportunity to learn about good grooming, proper make-up techniques and personal care. They can participate in social activities that will assist them in learning independent living skills and enrich their lives.



Student Body Government

The Student Body Government, under the leadership of Anne Marie Baer, is experimenting with a new system of school government. In the past, all high school students were required to attend all regular SBG business meetings. This year each class, organization and council send a representative to the meetings. The student body is invited to come and observe.

The purposes of the SBG are to provide student with experience in the parliamentary procedure; to encourage school spirit, good citizenship, high moral standards and self-reliance.

The most significant SBG event this year was the Valentine Dance at Mission San Jose High School in Fremont. About 85 CSD-students were invited to the dance by Mission San Jose High School. Paper and pencils were available so that all students could get to know each other and their community. Everyone enjoyed themselves.

As you see, the **Eagle** has become a continuing tradition at C.S.D. Our tradition is only two years old but it means a lot to us. We'll have it for our memories.

When I became the **editor-in-chief,** I wondered if I would produce a really superb yearbook. In addition, our yearbook staff had to encourage people to buy enough yearbooks to reach our goal of 700 books. It seemed to be an overwhelming task.

Kathleen Cantrell has been our adviser on the yearbook. If we had not had Kathleen Cantrell's help, we wouldn't have had a hard cover yearbook. I want to thank her for giving her time to concentrate on the **Eagle.**

I also want to thank **Dr. Klopping** for letting us continue to produce a hard cover yearbook. **Mr. Bob Schmitt** has kindly lent us his Polaroid camera. **Ms. Carol Hyatt** has been a skillful English translater for the yearbook. **Mr. Buddy Singleton** and **John Galvan** have had the kind-heartedness to make millions of copies for us. **Ms. Susan Koch** has helped us to contact important people and to proofread the galleys. **Mr. Bill Balm** has given us excellent advices on photography. **Mr. Richard Bonheyo** has supervised our complicated business affairs. **Mr. Stan Bringer** was willing to take us to Visalia to visit the Yearbook Co. **Ms. Mary Dallas Herrold** and **Anna Lee Swaim** were able proofreaders. **Mr. Les Peterson,** the yearbook representative, devoting his time and becoming friends with us. **Our industrious yearbook staff has been working hard editing, typing, doing lay-out and art work and meeting numerous deadlines.**

Johathan Swift called books **"the children of the brain."** We think our book is the child of our brains and our hearts. We hope you will like and enjoy it.
